

ENVIRONMENTAL POLICY

Rutland UK has developed this **Environmental Policy ISO 14001: 2015** to ensure its purchase, manufacturing storage and distribution of door closers and ancillary equipment activities do not adversely impact on the environment.

The **Environmental Policy** provides a framework for determining its environmental objectives and targets are both established and monitored.

Rutland UK ensures at all levels of its business it has a commitment to prevent its processes and procedures from polluting the atmosphere or have any other adverse impact on the environment.

Rutland UK is aware of all legislative and regulatory requirements that apply to its business activities and ensures compliance at all times.

Rutland UK has implemented a policy of the continual improvement of its **Quality and Environmental Management System (QEMS)** and this has been communicated to all staff and appropriate external interested parties.

In addition, **Rutland UK** are committed to meeting the Government Policy on **Zero Avoidable Waste by 2050**.

The Policy is reviewed annually.
