

RUTLAND UK QUALITY POLICY

The management of **Rutland UK** is committed to supply door closers and ancillary products to its customers in the architectural hardware sector. The company has produced manufactured goods to its own designs and specifications and the main product area is a comprehensive range of high-quality door controls. Many of these products are accredited to British, European, and Global standards for performance and fire resistance.

The directors, management and staff of **Rutland UK** support the ethos of their **Quality Management System (ISO 9001: 2015)** and always endeavour to satisfy in full the needs of their customers and all legal requirements.

Rutland UK uses their **Quality Management System** as a basis for continual improvement by regularly reviewing targets, objectives, and key performance indicators, which are all communicated to the staff.

This Quality policy is reviewed annually.

Signed

Jake Martin – General Manager
